

# Best Buds

a fresh approach to floral design

## Examples of some recent David Austin Weddings

January 2008

1. Nicoles bouquet was a mix of white and soft pink David Austins and cream spray roses with dodda vine trim. Her Bridemaids had similar bouquets with more white and cream.

2. Clair had the classic mix of mid pink and white David Austins with a hint of dodda vine

3. Leesa had a paler pink David Austin with white and a very 'clean' look where we removed all the buds leaving only the blooms.

4. Claire mixed white David Austins with Antique coloured roses, champagne spray roses and soft dusty miller foliage

5. Laura (below) had peach David Austins with lemon spray roses

6. Ming had white roses with Antique style roses, Berzillia buds and Hypericum flower

7. Another white David Austin bouquet showing some buds left in as detail and upturned magnolia leaves.

8. Below: mid pink David Austins and cream spray roses.

9. A Pomander made with cream and peach spray roses.

10. Dark pink and white David Austins.
